Re: DOGM Staff Site Tour, S.F. Phosphates LTD. Co., Vernal Phosphate Operations, M/047/007, Uintah County Utah

Dear Messrs. Ryan & Weaver:

On behalf of the Division I wish to thank you for taking the time to brief our group on your operation, and take us on a tour of the site. It was both enjoyable and educational, especially for those of our group who had not been to the site before. Reclamation conducted at your site is an excellent example of the possibilities and benefits of concurrent reclamation practices. Thank you again for your time and hospitality.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
